Re: U.S. Patent application #10/613,499

Dear Sirs:

Pursuant to receiving a notice to file missing parts (copy enclosed) of nonprovisional patent application #10/613,499 "Variable-Mechanical-Impedance Artificial Legs", filed 7/3/2003 (claiming priority to U.S. provisional patent application #60/395,938, filed 7/15/2002), I am enclosing a signed declaration and replacement drawings (without excess text, as requested). I am also enclosing an amended first page of the specification, with reference to the above-cited provisional patent application added, and a disclosure document reference letter citing the provisional application, which was left out of the package when the non-provisional application was filed on 7/3/2003. I am also enclosing a check in the amount of \$65 for the required late oath or declaration surcharge.
